

# seekout

## Turbocharge Your Talent Funnel

Trusted by leading enterprises including

“SeekOut has clearly separated itself from its competitors. Their GitHub sourcing takes candidate profiles that once got lost in a sea of buzzwords and brings them to the top of the pile based on real world relevance. Their focus on diversity with dedicated filters is a game-changing sourcing feature for recruiters and hiring managers.”

- Mario Linares  
Executive Recruiting Director,  
VMware

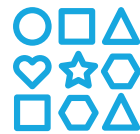

### Go Beyond LinkedIn for Untapped Talent

Find the right candidates with SeekOut's database of 600 million candidates compiled from public profiles, their GitHub code, research papers & patents, social profiles and more.
