Abode

With 92% of Gen Z willing to renege on their offer, it's clear that old methods no longer work. Abode's all-in-one platform centralizes, automates, and tracks your early-career communications, ensuring consistent engagement and retention from the moment an offer is signed.

One platform with everything you need to engage interns and new hires the moment they accept their offer.

Events
Manage events, track RSVPs, collect feedback, and more.

Community
Connect cohorts and programs with a directory and newsfeed.

Tasks
Assign required tasks with due dates. We'll make sure they get done.

Resources
Share helpful content including videos, PDFs, and more.
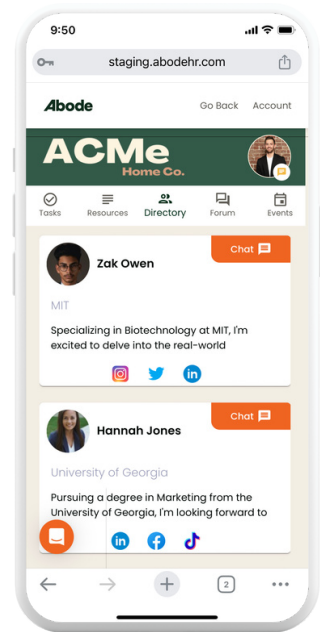

Document Signing
Have candidates upload files or sign them directly in Abode.

Surveys
Collect surveys and feedback before, during, and after the program.

Capture engagement analytics like never before.

- Segment new hires into programs and cohorts.
- Share relevant tasks and resources with each group.
- View holistic engagement metrics for each new hire.
- Export data to share with internal stakeholders.
